

CAT® OFFICE CHAIRS

Executive Model

Cat® office chairs are derived from automotive and heavy equipment seating, tested to BIFMA standards for users up to 400 lbs. In addition to being custom built for tough environments, Cat office chairs feature multiple ergonomic adjustments; including deluxe comfort headrest, locking tilt mechanism, independent backrest recline, height adjustable gas shock, and air lumbar system.

This model features our executive finish package with premium trim and your choice of upgraded components.

Cat office chairs are built on the Cat tradition of quality and durability. **Inquire today for purchasing details.**

BUILT IN THE USA

Cat office chairs are built in Lake Forest, IL.

PREMIUM LEATHER

Trimmed with premium-grade black leather, perforated leather insert, and yellow top-stitch. This is a truly unique design only available on the Executive model.

3D ARMRESTS

3D Armrests are height, width and length adjustable. Rated for use in intensive environments.

EMBROIDERED LOGO

The iconic Cat logo is precision embroidered on the chair's backrest.

ADJUSTABLE HEADREST

Headrest is height and angle adjustable. Reversible for a more traditional headrest experience.

STEEL FRAME

Robotically-welded steel frame will last longer, evenly distribute your weight, and provide superior support.

INDEPENDENT RECLINE

Backrest angle adjusts independently from seat pan angle.

HEAVY DUTY TILT MECHANISM

Provides exceptional adjustment and support. Features adjustable tension, tilt lock, and height to ergonomically fit a wide range of users and applications.

ANSI/BIFMA TESTED

Cat office chairs are tested to ANSI/BIFMA X5.1-2017 Office Chair Standards.
